Flexible Ring Vibrator Majestic Duo

Satisfyer Duo line is perfect for strengthening and sustaining erections while heightening and delaying pleasure. Each Duo penis ring vibrator is equipped with a powerful motor to transmit 12 vibrations settings through the silicone bands and head of the motor, simultaneously arousing your partner during penetration.

Satisfyer Majestic Duo features one long, stretchy band that goes around both the shaft and testicles, or you can double loop the band around the shaft only. The flat, clickable button on the front of the motor makes it easy to control.
