Immerse yourself in 360 degree pleasure as the Tornado Bliss sleeve envelopes you. The sleeves' hundreds of soft-suctioning tips gently usher you into a tightly pulsating tunnel, as you head straight for a boundless ultimate release.

The toy's skin-like material will provide long-lasting pleasure as long as you heed the following care instructions: To clean the sleeve, remove it from the toy and wash it with warm water and a mild soap. Dry the sleeve thoroughly, then moisten it with this special Satisfyer Men disinfectant. Leave to work for approx. 1 minute, then dry the sleeve again with a lint-free cloth. To ensure that the material remains as supple as the first day you used it, after cleaning you should dust the insert with Satisfyer Men Renewing Powder. The nourishing effect of the powder will keep the material sensually soft.
