Product description

Experience the magic... The all-new addition to the popular wand vibrator category, the Mini Wand-er is here to make your mind wander!

With a compact size of 6.3 inches, the Mini Wand-er is ideal for travelling as well as beginners looking to expand their collection with a newer twist on a classic design.

With a rounded tip, a straight shape and elegant aesthetic, there is also a spring in the upper half of the device, creating a more flexible head for clitoral stimulation.

Packed with an immense amount of power in such a small size, you can even enjoy a deep tissue full body massage!

The Mini Wand-er's powerful motor comes programmed with 12 satisfying vibration programs.

Easily change between settings using the intuitive +/- buttons.

The Mini

Wand-er is made of body safe silicone, is rechargeable and waterproof (IPX7).

Wave your wand, your way.
