GIVE IT POWER!

Your toy is equipped with built-in batteries and is therefore environmentally friendly. If required, the included USB magnetic charging cable can be supplemented with a standard 5V mains plug.

MATERIAL AND CARE

The head of his waterproof toy is made of silky soft medical silicone, which is extremely slippery and absorbs heat from your body quickly. The toy can be easily cleaned with a little soap under warm water. With a little bit of toy disinfectant cleaner, you can ensure particularly thorough hygiene afterwards, ideally with the perfectly coordinated disinfection spray from Satisfyer. For maximum pleasure, always use your toy with one of Satisfyer's water-based lubricants that are perfectly matched to the product. They are available in classic, silky and warm versions. The vegan water-based composition protects the material and keeps the surface of your toy nice and soft.

THE SATISFYER BRAND

Satisfyer: much more than a German brand! It all started with non-contact stimulation of the clitoris thanks to the innovative and patented pressure wave technology; Meanwhile, the world's leading sexual wellness brand enriches the love lives of more than 25,000,000 million women, men and couples in more than 100 countries with a wide range of products, as well as always new and trendy ideas. Technologies With quality features like high-quality silicone, a 15-year warranty, hermetic workmanship and powerful motors, the successful German brand is always ready to combine technology with exceptional design in its products. In the last 3 years alone, Satisfyer has won over 140 international design awards like no other company.
