Satisfyer Double Joy und Sexy Secret

The Satisfyer Double Joy is one of the most popular twosome vibrators and has an impressive U-shaped design that offers intense vibrations in 2 motors. The smaller shaft is also inserted during lovemaking, stimulating both the G-spot and the penis. The larger shaft of the twosome vibrator rests on the clitoris. The high-quality silicone feels particularly pleasant.

The portable Sexy Secret panty vibrator ensures fun together away from home: Its ergonomic, shapely form adapts to your curves and make your clitoris tremble with intense, whisper-quiet vibration. Since the discreet panty vibrator is perfect for on the go, it can also be conveniently operated via app control. Both sexual wellness devices are waterproof and can be taken into the shower, pool or bathtub without any worries. The content of the Satisfyer Partner Box 1 has been specially put together by our experts for shared enjoyment. Experience the intense vibrations and abandon yourself completely to twosome adventures.
