Satisfyer Double Joy und Royal One

The Satisfyer Double Joy is one of the most popular twosome vibrators and has an impressive U-shaped design that offers intense vibrations in 2 motors. The smaller shaft is also inserted during lovemaking, stimulating both the G-spot and the penis. The larger shaft of the twosome vibrator rests on the outside of the clitoris. The high-quality silicone feels particularly pleasant at the same time. The Satisfyer Royal One, a penis ring with a clitoral stimulator, is made of body-friendly silicone and pampers both partners, thanks to its blood retention effect and powerful vibrations. It is simply pulled over the penis and intensifies the erection while at the same time delaying ejaculation. The structured clitoral stimulator finds its pearl with every thrust and provides additional stimulation through intense vibes. Both sexual wellness devices are waterproof and can be taken into the shower, pool or bathtub without any worries.

The content of the Satisfyer Partner Box 2 has been specially put together by our experts for shared enjoyment. Partner vibrators and penis rings are popular sexual wellness devices for special moments together and allow couples to benefit equally from their effects. Experience the intense vibrations and abandon yourself completely to twosome adventures.
