Product description

The future of sexual wellness is in this small pressure wave vibrator. Thanks to the powerful Magnetic Power Engine, the Pro 2 Perfect Kiss is not only absolutely silent, but also offers you the opportunity to customize your moments alone just the way you like them.

You can customize the inner membrane with the push of a button: The closer it is to the clitoris, the more intense the sensation will be: from a gentle touch to passionate intensity.

The LEDs on the front indicate which mode you are using. position is the membrane.

With a total of 11 pressure wave intensities per membrane position, the Pro 2 Perfect Kiss offers 33 different programs, so that both beginners and satisfaction professionals can have fun with this little air pulse toy.

Thanks to its waterproof design (IPX7), it is also suitable for use in the shower or bathtub.

By the way, you don't have to worry about your neighbors or roommates noticing your moments with the Pro 2 Perfect Kiss: magnetic technology guarantees an absolutely silent adventure. The practical USB-C connection ensures that the Pro 2 Perfect Kiss is always ready for use.

The surface is made of high-quality silicone, making it especially gentle on the skin. Enjoy the most passionate kiss of your life!
