Product description

You will enjoy delightful clitoral stimulation: thanks to the innovative and beloved Satisfyer Air Pulse technology, this supportive vibrator stimulates your clitoris without direct contact, resulting in exceptional climaxes. Place the opening on your clitoris and experience true magic as you choose from 11 different intense pressure wave programs. But the Satisfyer Pixie Dust has an even more magical power, with 12 vibration programs, which you can enjoy alone or combine with pressure wave programs thanks to two individually controllable motors. The surface of the Satisfyer Pixie Dust is made of super soft silicone that is incredibly gentle on your skin. With its charming color gradient and transparent silicone layer, this love toy will also seduce you visually.

The Satisfyer Pixie Dust can also cast its magic spells underwater thanks to its waterproof finish (IPX7), meaning you can enjoy its company under the shower or in the bathtub. And if he runs out of breath, you can easily restore his magical power with the included USB charging cable. With its beautiful design, compact size and intuitive button layout, the Satisfyer Pixie Dust is the ideal pleasure toy for beginners and connoisseurs alike. See for yourself and succumb to the charm of this beautiful device!
