Product description

Introducing the **Satisfyer Pocket Panda**:

An incredibly adorable air pulse vibrator that will delight and stimulate your erogenous zones.

With its compact size, it is the perfect device for beginners and those looking for a delightful addition to their collection of pleasure products.

Equipped with 11 pressure wave intensities and 12 vibration programs, this vibrator offers much more than the basics.

You can combine its functions or use them separately, thanks to its two powerful motors and simple push-button controls.

With a soft silicone surface, the Satisfyer Pocket Panda is especially skin-friendly.

And there's more: thanks to its waterproof finish (IPX7), you can take it with you into the shower or bathtub for extra fun.

Absolutely Panda-stico!
