Product description

Satisfyer Pocket Pro 1: Lay-on vibrator with pressure waves.

The Pocket Pro 1 is THE orgasm professional in pocket size: With its curved shape and small format, it fits perfectly in your hand and accompanies you on all your trips.

Uses a combination of pressure and vibration waves to provide intense clitoral stimulation. Place the opening of the vibrator on your clitoris and experience the contactless Satisfyer Air Pulse technology, which has already thrilled millions of people around the world. You can also use the Pocket Pro 1 as a classic lay-on vibrator with vibration or combine both functions: 11 pressure wave intensities and 12 vibration programs are waiting for you to discover them. The two independently controllable power motors give everything so you can live a moment of incomparable pleasure.

Water resistant (IPX7) and rechargeable: Satisfyer Pocket Pro 1

Take the Satisfyer Pocket Pro 1 with you when you travel and immerse yourself: This pressure wave vibrator is waterproof (IPX7), so it can be used in the shower or bath. The practical ring-shaped handle ensures that this pleasure device does not float away.

The skin-friendly silicone surface is not only particularly gentle on your skin, but also hygienic and easy to clean. Warm water, mild soap, and a little device cleaner will have your vibrator looking like new again in no time. Thanks to the included USB charging cable, you can also charge your device in a simple and environmentally friendly way to live new adventures with the Pocket Pro 1 whenever you want.
