Product description

The new generation of the Satisfyer Pro Penguin has gotten even more elegant for you. Now he looks stunning in his new tailcoat. This funny penguin has become independent: with his elegant black body and white belly, he wears a distinguished bow tie and is waiting for you to accompany you to the opera or to stimulate your clitoris without touching it, which whatever you prefer.

ARE YOU GOING OUT WITH ME TONIGHT?

One thing is Clearly, this dildo looks so wonderful that it's a shame to hide it in your favorite items' drawer. Thanks to its improved and even quieter motor, this is no longer a problem: As soon as the anti-allergenic silicone head surrounds your clitoris, you barely hear a thing. Thanks to the water-resistant finish of the new generation of the Satisfyer Pro Penguin, you can even enjoy this little penguin in the bathtub, where it remains even quieter and your sensations gain in intensity.

Its 11 pressure wave programs stimulate you along a scale from gentle to intense, thus achieving May you forget about the world. The optimized button design allows you to move back and forth between intensity levels so you can enjoy individual pleasure appropriate to each moment. In addition, the light on the control panel of your favorite dildo is no longer as intense and, therefore, more pleasant.

IDEAL DILDO FOR BEGINNERS

Its slim, ergonomically designed shape fits perfectly in the hand and is very comfortable. Due to its manageable design and ease of use, it is ideal for those who want to get started in these solitary games. Thanks to its excellent tightness, the Satisfyer Pro Penguin is much quieter during use than other similar products on the market. Its soft, anti-allergenic silicone cap is 100% hygienic, and protects the interior against the entry of water, lubricants or other fluids.

New generation Satisfyer Pro Penguin vibrator Magnetic charger

MATERIAL

The interchangeable silicone head, soft on the skin, is small and manageable in this Satisfyer model. The tubular tunnel, which generates a sensual vacuum, is on the angled head, which surrounds the clitoris with softness and pleasure. You can easily remove the silicone head to clean it with Toycleaner. The integrated rechargeable batteries of the new generation Satisfyer Pro Penguin create an ecologically rechargeable sex toy. If you want to charge the Penguin with a cable, you can supplement the magnetic USB cable with a regular 5V plug. With water lubricant the sensation is even much more intense.
