- This discreet and slim device fits perfectly in your purse or bag. The Satisfyer 4D Magnetic Power Motor is a powerful, easy-to-use device that fits in the palm of your hand and is perfect for travel.

With the new patented 4D Magnetic Power Motor, Satisfyer takes contactless clitoral stimulation to the next level. This cutting-edge technology redefines the sensory experience, delivering quiet yet powerful stimulation with gentle pressure waves.

The inner membrane of this device can be moved at the push of a button - the closer the membrane is to the opening, the stronger the pressure waves.

Three LED lights on the front indicate the position of the membrane so the user easily knows what intensity it is on.

– 3 LEDs on - the membrane is closer to the opening, providing intense and powerful sensations.
– 2 LEDs on: the membrane is in the middle, offering a balanced wave force.
– 1 LED on: the membrane is further away, perfect for a softer touch.

With 11 pressure wave programs and 3 membrane positions, you have 33 incredible ways to explore your desires.
