Vibrating cock ring: Even more lovemaking fun with the Satisfyer Sniper

With the Satisfyer Sniper you can enjoy more stamina and longer-lasting and more powerful erections during lovemaking: Two loops, one of which can be individually adjusted to fit snugly, ensure a greater blood retention effect. The adjustable cock ring with a tapering clitoral stimulator also pampers both partners with intensive vibrations during lovemaking. The 12 vibration programs can be easily controlled via the One Touch button and range from gentle to intense.

Due to its ease of use and size-adjustable loop, the Satisfyer Sniper is particularly suitable for beginners and anyone who is looking for a perfectly fitting cock ring.

Satisfyer Sniper: Silicone cock ring

Since the adjustable cock ring is made of body-friendly, medical-grade silicone, it is particularly supple and flexible. The ring is also waterproof (IPX7) and can also be used in the shower or bath. The integrated batteries can be recharged with the included USB charging cable.
