What can the Satisfyer Spectacular Duo offer?

Get ready to enjoy some spectacular moments of pleasure: Satisfyer Spectacular Duo is a high quality silicone cock and testicle ring that offers more intense sensations during intercourse and also allows you to last longer. The inner ring wraps around the penis, and the outer testicle ring surrounds its partners, creating a stimulating blood-stagnating effect. At the same time, your partner will also be lovingly cared for by the clitoral stimulator of the vibrating penis ring, which thanks to its voluminous shape offers particularly intense stimulation. The 12 vibration programs can be easily controlled via the one-touch button on the side.

Satisfyer Spectacular Duo: Vibrating Silicone Cock Ring

Thanks to its sporty neon-colored design, the Satisfyer Spectacular Duo visually stands out and attracts all eyes. At the same time, it also stands out thanks to its high-quality material: The sexual well-being device is made of body-friendly silicone and is particularly hygienic. Do you also want to spend some exciting moments in the water? No problem! Thanks to the waterproof finish (IPX7), you can also take the Satisfyer Spectacular Duo into the shower or bath. After use, you can clean it with warm water and a little mild soap, and also use a sexual wellness device cleaner to disinfect it. And if you are ever out of breath, you can easily recharge the penis ring with the included USB charging cable.
