Product description

The new Satisfyer Spinning series is sure to make you happy. turn your head: the Satisfyer **Spinning G-Spot 1** is a G-spot vibrator that vibrates and rotates to give you a new, exciting and pleasurable experience.

Introducing the Satisfyer **Spinning G-Spot 1**: a whirlwind of pleasure for your senses! This sensational G-spot vibrator will do wonders. Make your head spin with lust. Imagine the pleasure of not only intense vibrations, but also a delicious rotating movement! With 12 varied and intense vibration modes and the added thrill of rotation, this beautifully crafted vibrator is your ticket to the ultimate sensual experiences.

Its unique rotating feature, combined with a flattened tip, creates a perfect combination for targeted G-spot stimulation. Plus, you are in complete and easy control of your pleasure: Select between 5 rotation programs and easily change direction with a simple double click on the rotation button. Do you want to mix and match? No problem! You can choose to use vibration and rotation together or separately through the intuitive controls on the front.

The Satisfyer **Spinning G-Spot 1** is also available. Prepared for aquatic adventures thanks to its waterproof finish IPX7. Additionally, you can use this G-spot vibrator as a lay-on vibrator, caressing the clitoris or other erogenous areas such as the nipples with its circular movements and soft silicone surface. And don't worry about battery life: the Satisfyer **Spinning G-Spot 1** is easily recharged with the included USB charging cable. Get ready to spin, vibrate and smile with the Satisfyer **Spinning G-Spot 1**!
