Product description

The Spot On 1 always hits the spot! In need of deeply targeted clitoral stimulation? The Spot On 1 has an intensified and pointed tip to provide sensations like never before! Ideal for beginners due to the straightforward functionality and playful design.

With a firm ABS body coated in a smooth silicone, and shiny design highlights on the sides, the tip is made fully of silicone, making it fully flexible and providing sensations throughout the circular, nubbed, tip – perfect for targeted clitoral stimulation. Providing a broader sensation than a typical lay-on vibrator, enjoy the intensified sensations of the powerful motor through 12 different vibration programs. The Spot On 1 is made of body safe silicone, is rechargeable, and is IPX7 Waterproof rated. Let’s hit it!
