Satisfyer Sunray: clitoral stimulation and G-spot massage

We've listened to your feedback and given our bunny an update just as you asked: Satisfyer Sunray not only caresses your G-spot and clitoris with intense vibrations, but the pressure wave vibrator adapts perfectly to your own anatomy thanks to the silicone Flex technology and the chain joint inside. In addition, it transmits its vibrations with irresistible power and allows additional vaginal stimulation thanks to the ribbed texture of the handle, so this vibrator will make your hottest areas glow even on the coldest days.

Satisfyer Sunray: more variety through app control

The two motors of the Satisfyer Sunray, which can be controlled independently, offer 10 vibration programs with 11 different intensities so you can enjoy countless combinations and very varied moments of pleasure. The free Satisfyer Connect app, available for Android and Apple iOS, offers you even more possibilities: in addition to being able to control the device from the app, you can design your own vibration programs or connect the free app to Spotify to enjoy the rhythm of your songs. favorites. Satisfyer Sunray also creates pressure waves underwater ? this waterproof (IPX7) bunny can easily be used under the shower or bathtub. After spending a few moments together, you can easily clean the vibrator with warm water and a little sexual wellness device cleaner, then recharge it for your next session with the included USB charging cable.
