Built for pleasure connoisseurs, the Touch Me provides dual and upside-down stimulation through its 3 powerful motors.

Different from regular rabbit vibrators, the Touch Me provides intensified stimulation from above, rather than below.

With the intuitive control panel, easily sift through 12 individual functions per motor to find your ideal pleasure! One motor is in the shaft, and the additional two are in the split clitoral tickler. The 2 curved arms allow for a broader stimulation of the clitoris and labia.

The Touch Me is made of body-safe silicone, is rechargeable and waterproof (IPX7). Come Touch Me.
