- Easy to clean T

Targeted stimulation with the Satisfyer Twirling Joy

The Satisfyer Twirling Joy with its sporty, casual design is here to stimulate you and all your hot spots: With the narrow, rounded tip and extremely powerful vibrations, it’s perfect for both nipple and clitoral stimulation. You can also massage other erogenous zones such as the labia with this tantalizing vibrator. Its powerful, circulating vibrations are driven by a powerful motor and spoil you with 8 programs, which are composed of 5 intensities and can be controlled with the intuitive control panel using the +/– buttons. The Satisfyer Twirling Joy is especially great for beginners due to the tapering, unyielding tip and ease of use. The Satisfyer Twirling Joy can be controlled with even more versatility using the Satisfyer Connect app: Using the app you can not only create your own vibration programs and on the vibrator, but also connect your device to Spotify or exchange ideas with other users in the community. And all of this with 100% data security!

Sexual wellness device made of body-friendly silicone

Since this vibrator is made of body-friendly, silky silicone, it is particularly hygienic and gentle on the skin. The waterproof (IPX7) material means it can join you in the shower or bathtub and can also be cleaned easily with warm water and mild soap. The integrated batteries can be recharged with the included USB charging cable.
