What Can you make the Satisfyer Ultra Power Bullet 1?

The Satisfyer Ultra Power Bullet mini vibrators will seduce you with their extremely powerful motor, very small size and various applications for singles and couples: the Ultra Power Bullet 1 is no exception. With its small, firm body made of soft silicone, you can use it on all your erogenous zones; It is especially good when it comes to clitoral stimulation. With its round tip, it surrounds your hot spots in a large area, while its voluminous shape fits comfortably in your hand. 12 seductive programs, consisting of 5 speeds and 7 vibration patterns, will really get you going. Your partner can also have fun because you can easily integrate the bullet into your sexual relations due to its small size.

Satisfyer Ultra Power Bullet 1: Mini vibrator to wear

The small size and intuitive one-touch operation make this bullet vibrator the ideal device for beginners. At 10.5 centimeters, it also fits into smaller bags and can accompany you on a trip or trip. Would you like to dive deep with the Ultra Power Bullet 1? No problem! Thanks to its waterproof design (IPX7) you can also use it in the shower or bathtub. After your adventures, you can easily clean it with warm water, mild soap, and sexual wellness device cleaner and recharge it with the included USB charging cable.

Bullet Guide

Bullet Guide

Start with a lower speed if you are sensitive. Use with lubricant for comfort. Most bullets can be used externally only (not for insertion).

Store in a protective pouch to prevent damage. Rechargeable models last 1-2 hours per charge.
