Satisfyer Ultra Power Bullet 6: Powerful mini vibrator

The Satisfyer Ultra Power Bullet 6 is a mini vibrator that impresses above all with its charmingly reserved manner. With its classic and straightforward design, the focus is on function – which makes it shine. The powerful motor generates deep vibrations that pleasure your erogenous zones. Its rounded tip is especially wonderful for clitoral stimulation. The vibration program with 5 speeds and 7 vibration patterns gives you a variety of sensations and can also be controlled easily via intuitive one-touch operation. The Ultra Power Bullet 6 is also the ideal vibrator for on the go. Whether in your handbag or in your luggage, this mini vibrator is a discreet companion for all your adventures.

What are the benefits of the Satisfyer Ultra Power Bullet 6?

Its format, ease of use and discreet appearance make the Ultra Power Bullet 6 the ideal sexual wellness device for beginners. Thanks to its soft surface made of medical-grade silicone, it’s not only hygienic, but particularly gentle on your skin. The mini vibrator is also waterproof (IPX7) and can be easily cleaned with lukewarm water, a little soap and a sexual wellness device cleaner after use. And you can use it in the shower and bathtub. You can recharge the integrated battery of the bullet vibrator with the supplied USB charging cable – for environmentally friendly pleasure.

Bullet Guide

Bullet Guide

Start with a lower speed if you are sensitive. Use with lubricant for comfort. Most bullets can be used externally only (not for insertion).

Store in a protective pouch to prevent damage. Rechargeable models last 1-2 hours per charge.
