- Easy to clean

Satisfyer Ultra Power Bullet 7: Intense clitoral stimulation

With its broad tip made of hygienic, delicate silicone, the Satisfyer Ultra Power Bullet 7 glides gently over your erogenous zones, showing you what it can do especially when it comes to clitoral stimulation. Its powerful motor makes the tip pulsate and, combined with the slightly curved shape of the mini vibrator, triggers tongue-like sensations. How gently or vigorously it pleasures you is up to you – you can choose the program that suits you from 5 different speeds and 7 vibration patterns. Like all Satisfyer bullet vibrators, the Ultra Power Bullet 7 is a discreet companion for on the go. With its manageable size, it fits easily in a handbag or luggage and can bewitch you everywhere with its strong, deep vibes.

Other great features of the Satisfyer Ultra Power Bullet 7

Thanks to its waterproof (IPX7) design, the Satisfyer Ultra Power Bullet 7 can also deliver reliable pleasure in the shower or bathtub. After using it, just clean the mini vibrator under lukewarm water and stow it away for your next session. If it ever runs out of steam, you can recharge the integrated battery with the included USB charging cable – it’s easy and environmentally friendly.

Bullet Guide

Bullet Guide

Start with a lower speed if you are sensitive. Use with lubricant for comfort. Most bullets can be used externally only (not for insertion).

Store in a protective pouch to prevent damage. Rechargeable models last 1-2 hours per charge.
