Product description

BETTER STAMINA This donut is really a cock ring with an overwhelming desire to sweeten your love life.

The Satisfyer Ring gives your manhood a sensual upgrade, ensuring you and your partner enjoy a tingling pleasure. The large clitoral stimulator has a wide diameter and 10 intense vibration settings, offering your lady’s love bead arousing stimulation at the touch of a button. But even during steamy solo sessions, it will seduce you with its deep vibes and catapult you unerringly to climax.

As soon as you put it on, the toy’s silky-soft, deep blue surface in medical grade silicone sends you towards sensual ecstasy. The ring is pleasantly flexible and adapts itself to all sizes, but once in place it nestles snugly and sexily against your penis.

With the help of the bittersweet blood stasis effect, it effectively delays your climax, giving you maximum stamina and a tight, hard erection - and you won’t be the only person to enjoy them!
