Product description

Centuries ago, the practice of submission and control was linked to secret and ceremonial rituals. Today, **SCANDALE** - Purple updates that tradition with an immersive experience that combines pleasure, power and consensual humiliation, designed for those looking to explore the boundaries of desire.

The **SCANDALE** cockpit offers an enclosed space where the most intimate fantasies can be experienced in both private encounters and exhibitionist scenarios. The Holedome and Eyedome clamp system ensures versatile restraint, while Flipping Fans provide additional stimulation. LED lighting creates the perfect atmosphere for each session, transforming every moment into something intense and memorable.

In addition, handcuffs and shackles ensure the desired immobilization, while the mattress adds the necessary comfort for a complete experience. When you're done, pack everything away in the included travel bag and take the scandal with you wherever you go.
