Product description

Centuries ago, the term "**BUKKAKE**" was related to a punishment imposed on people for infidelity. Today, the **BUKKAKE** cabin from Secret Dome reinvents that ancient practice to adapt to modern times, transforming it into a tool for consensual exploration, power play and sensory experiences.

This cabin, in its elegant purple version, not only pays homage to the past, but offers an immersive experience in the present. Whether for private games or shared moments, the **BUKKAKE** cabin adapts to your desires.

The set includes two Holedome clamps that allow for a secure hold, while the LED light creates the perfect atmosphere for any scenario. With the handcuffs firmly in place and the mattress providing the necessary comfort, the experience becomes something as intense as it is exciting.

When you're done, pack the whole set into the included travel bag, and take your adventure wherever you want.
