Product description

Designed for those who know that pleasure lies in the details, **LA NICHE** is the secret corner where submission meets aesthetics, and control becomes art. This intimate cabin, in a provocative purple hue, is designed to provide intense experiences of restraint, exhibitionism, and role-playing, all in a compact yet deeply immersive space.

It allows for sitting or all-fours positions, comfortably adapting to voluptuous or plus-size bodies. The Holedome restraint system ensures a secure and versatile hold, while the LED light bathes the space in a suggestive atmosphere, perfect for private sessions or performative encounters.

The included handcuffs and shackles reinforce the feeling of total surrender, and the internal mattress ensures comfort in every position. And as in any private club, discretion matters: when you're done, everything is stored in the elegant travel bag.
