Product description

The display of edible body painting pens from the Secret Play brand is an elegant and practical solution for those who want to add a touch of fun and sensuality to their intimate moments. This display contains 24 units of edible pens, presented in an attractive variety of flavors, including strawberry and chocolate, offering a wide range of options to satisfy all tastes.

Each pen is carefully crafted with high-quality edible ingredients, ensuring a safe and delicious experience. The flavors are intense and authentic: the strawberry flavor provides a burst of fruity sweetness, while the chocolate flavor offers a rich and decadent experience. These flavors are not only delicious, but they also complement the visual and tactile stimulation, transforming each encounter into a game full of creativity and pleasure.

The design of the pens is elegant and ergonomic, with a fine tip that allows you to draw intricate details or write loving messages on the skin. The soft and fluid texture of the gel ensures precise and uniform application, making each stroke clear and enjoyable. The pens are easy to handle, making them easy to use during intimate moments.

The display, designed to be attractive and functional, is perfect for displaying in erotic products stores, gift boutiques or even in the bedroom to always have on hand. It is made with high quality materials, presenting the pens in an organized and accessible way, which makes it easy to choose the desired flavor at all times.

Each pen comes individually and discreetly packaged, ensuring the freshness and quality of the product until the moment of use. They are ideal to give on special occasions such as Valentine's Day, anniversaries, bachelor or bachelorette parties or simply to surprise your partner and add a touch of excitement to your nights.

To use the pens, simply uncap and start drawing or writing on your lover's skin. Then, enjoy licking and savoring the delicious flavors, making each stroke a complete sensory experience.

With the display of edible body painting pens from Secret Play, every intimate moment becomes an opportunity to explore new forms of pleasure, combining art and passion in a unique and memorable experience.
