Product description

What Such a balm designed only for us and our pleasure?
Get ready because it is here to stay and give you a definitive experience of pleasure.

Clit Pwr is a stimulating balm for the clitoris that provides an intense sensation of vibration and heat, causing greater sensitivity and more powerful orgasms.
You may have tried unisex gels, but this gel is designed especially for your clitoris and will make you feel May you have an unforgettable experience taking you to climax, making you enjoy a very pleasant sensation thanks to the rapid absorption of this gel that will make you feel more comfortable. You will immediately notice its warming effect, along with a very pleasant vibration.
It can be applied to both the clitoris and the inner lips of the vulva, and by applying just 1 or 2 drops, this gel, with its natural active ingredients, increases blood flow in a way that produces greater sensitivity and therefore all the greater excitement.

How to use:

- Apply a small amount to the clitoris with a gentle massage. Let it act for a few minutes.
- Packaging with "Airless" system.
- Capacity: 15ml
- Strawberry
