Product description

Have you ever stopped to think about the importance of the sense of smell? Sometimes we don't give it as much importance as we should, but the right perfume is often your best weapon to highlight your attractiveness.

In addition to its irresistible caramel aroma and sophistication, only two applications will be enough to leave you well scented all day. It is perfect to make a good gift or simply to pay yourself a tribute because you will like it. So much so that you won't stop smelling yourself. But it is also perfect to take with you everywhere due to its format.

Afrodis feminine sensual oil perfume, with natural sexual attractant extracted from truffle, highlights your attractiveness, increases your confidence and makes you a more exciting, seductive and desired person in the eyes of others.
