Product description

Have you ever stopped to think about the importance of the sense of smell? Sometimes we don't give it all the importance we should, but the right perfume is often your best weapon to highlight your attractiveness.

The sensual masculine perfume Apolo, with a natural sexual attractant extracted from truffle, highlights your attractiveness, increases your confidence and makes you a more exciting, seductive and desired person in the eyes of others. The biological particles of the truffle, with its aroma, stimulate sexual desire naturally.
