Product description

Have you ever stopped to think about the importance of the sense of smell? Sometimes we don't give it all the importance we should, but the right perfume is often your best weapon to highlight your attractiveness.

The Ares sensual masculine perfume, with a natural sexual attractant extracted from truffle, highlights your attractiveness, increases your confidence and makes you a more exciting, seductive and desired person in the eyes of others. The biological particles of the truffle, with its aroma, stimulate sexual desire naturally.

In addition to its irresistible aroma with woody notes and its sophistication, just two applications will be enough to go well perfumed all day.

It is perfect for making a good gift or simply to treat yourself because you will like it so much that you will not stop smelling yourself.
