Product description

Did you know that having soft skin is synonymous with beauty and sensuality? But above all, and also very importantly, it's about hydration and health.
Achieving silky skin all over your body is very easy thanks to this lotion, which not only sharpens your sense of touch but also your sense of smell.
This lotion is a combination of softness and hydration for your skin and an exquisite scent that you won't want to stop smelling.

Secret Orchid Silky Skin Men's Body Lotion, with a natural sexual attractant extracted from truffles, highlights your attractiveness, increases your confidence, and makes you a more exciting, seductive, and desired person in the eyes of others. The truffle's biological particles, with their aroma, naturally stimulate sexual desire.
In addition to its irresistible aroma of black orchids and vanilla and its sophistication, just one or two applications will be enough to leave your skin feeling hydrated and soft all day long.
It's perfect for a nice gift or simply to treat yourself because you'll love it. So much so that you won't stop touching and smelling your skin.
