Product description

Have fun with these daring challenges with which you can experiment and discover new experiences entering the world of bondage.

In these charts the intensity of the tests increases as the days go by, starting on day 1 with softer tests until reaching the maximum of excitement on the last day.

It is important before the start of the challenge to take into account some basic rules:

- It is important that before playing the conditions of each player are discussed, each setting their limits.
- Players must choose a security word, which they will say when they want to stop any of the actions that are carried out in each of the 30 days.
- It is recommended that both participants maintain great trust with each other.
- There must be a master and a submissive role that can alternate during the 30 days.
- Never tie anything around the neck.
- It should not be tied tight.
- It should be played with round-tipped scissors within reach in case the sub feels overwhelmed
- The tests will increase in intensity as the days go by.
- 30 cards
- 110 x 110 mm
