Product description

Contains:

- 40 test cards
- 1 Bandage
- 1 Chocolate Body Pen

Game rules:

The game consists of 40 cards divided according to intensity: 20 cards of lower intensity, 10 cards of medium intensity and 10 cards of maximum intensity.

The cards have 1 to 3 drops of chocolate depending on the intensity:

- 1 point: lower intensity test
- 2 points: medium intensity test
- 3 points: maximum intensity test

The person who successfully completes the test will score the points indicated on the card according to the drops of chocolate it contains.

Step One: Shuffle the 40 cards and place them in a pile face down. Players must choose heads or tails and flip a coin. This will decide which player starts first.

Beginning of the game: The player who starts the game, will choose a card at random and will read the corresponding test aloud. After taking the test, the player who has completed it successfully will keep the card and score the points. The game ends when all the cards have been used up. The player who has accumulated the most points is the winner. His prize will consist of being devoured by his partner, after being well spread with chocolate. Take advantage!
