### Product description

Break your routine with Secret Play's new game: Out of Routine Play.

#### How to play?

Simple! The person who gets the highest score on the numbered dice begins. Throw the dice with the coloured circles to see the colour for the type of test you have to take. In "LONG LIVE ROMANCE" you have tests of the most romantic nature, with "LET'S MAKE PLANS", you'll have the most sensual adventures, "LET'S GO OUT" will allow you to break your everyday routine. The most sexual acts you will experience in "FOREPLAY" and "LET'S GET DOWN TO IT" and finally, whoever gets a "PRIZE" will enjoy the hottest of rewards.

To see which of the activities you have to do, you must throw the numbered dice and you'll see what number you get. (For example, if you get a total of ten the two dice and you have fallen on a "PRIZE", you'll have to do the number 10, "FOOD TIME" Test. In "LET'S MAKE PLANS" and "LET'S GO OUT" you may not be able to do the test straight away. But, not to worry! You keep the tests and you have a week to do them.
