Product description

SEX PLAY CARD GAME in FRENCH AND PORTUGUESE

We play? Tonight ... SEX PLAY!

SEX PLAY is a card game, where you will get to know your partner more, questions, seduction, erotic fantasies and everything you have never thought of doing. Will you be able to go to the end? Discover sex in a different way, forget about taboos and discover this exciting game that will make all your wishes come true.

GAME RULES

There are 55 cards. Shuffle and distribute half to each player, forming two decks with the cards. The oldest player will start, showing a card, the other will have to do what the card indicates, then the other will show it and so on. In this deck each letter has its meaning:

- J - KISSES- Kiss the area of the body that appears in the photograph.
- Q - MANUAL STIMULATION - Perform the form of stimulation that appears on the chart.
- K - ORAL SEX - Oral sex is important, show it by performing the action as shown in the letter.
- A - PENETRATION - With these Kamasutra postures you will surprise each other.

Sounds fun, don't you think?

The other figures have another meaning:

- HEARTS: You must answer all the questions, at the end of the game you will know your partner better.
- ROMBOS: Couple activities - Knowing how to make the other person enjoy is important, here you will discover new sensations.
- TREBOL: Tell your partner what he says in the letter. The sense of hearing is very important. Some sensual words that our partner tells us, enhance our excitement and our sexual desire.
- PICAS: Tests ... Here you will challenge your partner! What will he be able to do for you?

The game ends when the cards are finished (or when one of the two can not hold it anymore) simultaneous orgasms are allowed.
