Product description

Do you no longer know how to innovate in oral sex and think you've tried everything?

These exploding in-your-mouth Popping Candies will convince you there's still a lot to experience.

Bring the magic to your mouth and surprise yourself and your partner with a new addictive sensation: little candies that explode on your tongue and make fun 'pops' on your tongue. unexpected. You just have to drop some candies in your mouth to start enjoying its seductive effect.

Add an element of surprise to oral sex sessions and prepare to be seduced for life!

These explosive sugar candies come in a single-use container and their effervescent effect will make you happy. oral sex an explosive experience. In addition, you can use them in many creative ways: add them on your chest or in any erogenous zone and invite your partner to enjoy the sound and effect in his mouth or prepare an amazing bath for your couple. Fill the tub with water at the right temperature and drop one of the exploding candies into it. Invite your partner and listen to the sparkling effect of popping candies in the water. Have fun together.

How it works:

- The “popping candies” they have microscopic bubbles of CO2 trapped in the candies.
- These bubbles are released when they come into contact with your saliva, and that's when you feel that sensation of explosion that is so fun, unexpected and spectacular.
- Prepare to get addicted!
- Presentation: 1 sachet
- Capacity: 9 grams.
- Flavor: Strawberry
- 100% edible.
