Product description

High-tech rotator vibrator made of soft GELATIN with multiple uses.

- It is waterproof, so you can also use it in the shower.
- Due to its size, it is ideal for use in both vaginal and anal penetrations.
- It incorporates a vibrator with electronic control of both speed, oscillation and rotation.
- Different possibilities of use: Low, medium, high speed, in combination with the internal rotating beads that will make you go crazy with pleasure.
- As a novelty, the upper part of the vibrator oscillates on itself, achieving an authentic sensation of real penetration.

In addition, it also incorporates another vibrator specifically indicated to stimulate the clitoris through a design that simulates a soft tongue.

It works with 3 LR03/AAA batteries that you can find in the Batteries section.

- Outer Diameter: 4cm
- Shaft Length: 17cm
- Insertable Length: 10cm
- Very useful for anal initiation, since there is nothing more sensitive than your own finger.
