Product description

With this erection pump you will be able to achieve a powerful erection in an easier way using a vacuum system that causes blood to concentrate in the penis when it is still flaccid.

The erection is achieved and maintained by a comfortable and airtight seal at the base of the body, right at the junction of the penis and the pubis, thanks to which the blood is maintained.

- Diameter: 4.5cm
- ABS, TPE and PVC material
- No phthalates

Seven Creations toys have been designed to stimulate the body, amaze the mind and so that you can dare to explore new adventures and pleasures.
