"He moved my legs apart, allowing him complete access to my vagina. I began to gasp the moment I felt him insert a cold ball inside me. What are you doing? I asked him almost breathless. They are called Chinese balls, he told me. sliding another ball into my body.

- He helped me sit up and I gasped again as I felt the balls move and crash against each other inside me.
- By the time I was standing, my breathing was labored but calm and my erect nipples were visible beneath my dress..."
