Product description

The **SHEQU** 16cm Realistic Dildo with Remote Control and Clitoral Stimulator and Vibration is the perfect device for those seeking an intensely personalized pleasure experience. Its realistic design includes precise anatomical details, such as a pronounced head and defined veins, to offer a sensation similar to real penetration. In addition, the integrated clitoral stimulator provides additional stimulation to maximize pleasure simultaneously. All of this is complemented by a powerful vibration system, which has multiple modes and intensity levels, controllable through a practical remote control.

This dildo is made of high-quality silicone, a soft, flexible, and safe material for body, ensuring both comfort and durability. Adjustable vibration allows you to customize your experience, while the clitoral stimulator is designed to deliver precise stimulation, targeting the most sensitive areas of the female anatomy. Perfect for solo or couples use, this toy is ideal for those who want to explore new forms of pleasure.

Key Features

- Realistic and Anatomical Design
- Natural Shape: With anatomical details like a pronounced head and defined veins that simulate the feel of a real penis.
- Soft and Realistic Texture: The high-quality silicone has a texture that mimics human skin for a more authentic experience.
