Product description

The **SHEQU** Vibrating and Suction Vagina Masturbator is designed to deliver an ultra-realistic and immersive pleasure experience. Featuring a unique combination of intense vibration and adjustable suction, this device creates stimulation that simulates oral sex and penetration, delivering a deep and pleasurable sensation. The detailed, anatomically accurate design of the internal canal, coupled with the advanced vibration and suction system, delivers a multifaceted experience that maximizes pleasure.

Made with high-quality TPE silicone, the masturbator is soft, flexible, and skin-safe, ensuring a natural feel that mimics the softness and warmth of human skin. With a powerful motor and adjustable suction system, you can customize your experience by choosing the vibration intensity and suction pressure for completely personalized stimulation. Perfect for those looking for an immersive and immersive experience with a single device.

Main features

- Detailed Vagina: The internal canal features folds, bumps, and textures that mimic the smoothness and feel of a real vagina.
- High Quality TPE Silicone Material: Ultra soft and flexible, mimics the feel of human skin for natural touch.
- Slim Entry: Designed to provide a realistic experience with a comfortable and pleasing fit.
- Powerful vibration system
- High-power motor: Delivers intense, deep vibrations along the inner canal.
- Multiple Vibration Modes: From gentle pulsations to intense vibrations, you can adjust the intensity to find the setting that best suits your preferences.
- Vibration distribution: The vibration runs through the entire canal, intensifying stimulation at each point of contact.
- Adjustable suction function
- Realistic suction system: Simulates the suction sensation, providing a more intense and authentic experience.
- Suction intensity adjustment: Allows you to customize the suction pressure to suit your needs at any given time.
- Synchronized Suction with Vibration: Suction and vibration combine to create an immersive sensation that realistically mimics oral sex and penetration.
- Long-lasting rechargeable battery
- USB Charging: Its rechargeable battery guarantees extended pleasure sessions without the need for batteries.
- Silent motor: The motor operates discreetly, allowing for a private experience without annoying noises.
- Ergonomic and easy-to-use design
- Comfortable grip: Its ergonomic design facilitates a firm and comfortable grip, ideal for total control during use.
- Compact and portable size: The masturbator is a handy size, ideal for storage or travel without taking up much space.
- Compatible with water-based lubricants: It will enhance the experience and keep the material in perfect condition.
- Easy to clean and maintain
- Water resistant: You can easily clean it with warm water and mild soap after each use.
- Removable for easy cleaning: The design allows parts to be disassembled for deeper cleaning.
- Proper Drying and Storage: It is recommended to completely dry the masturbator before storing it in a cool, dry place.

Benefits of the SHEQU Vibrating and Suction Vagina Masturbator

- Anatomically detailed design, with textures that mimic the softness of human skin.
- Powerful and adjustable vibration, with several modes for deep stimulation.
- Realistic suction function, which intensifies the experience with a more immersive sensation.
- High quality TPE silicone material, safe and durable.
- Long-lasting rechargeable battery, with USB charging and silent motor.
- Ergonomic grip and portable design, easy to use and store.
- Easy to clean and maintain, to ensure durability and functionality.
- An immersive and realistic pleasure experience

SHEQU 's Vibrating Vagina Suction Masturbator is the perfect choice for those seeking a realistic, multifaceted, and personalized experience. Thanks to its powerful vibration and adjustable suction, along with a detailed design that mimics the softness of human skin, this masturbator offers intense, immersive stimulation that maximizes pleasure. Ideal for those seeking an immersive experience that combines the best of vibration and suction, providing unique and satisfying moments of pleasure.
