Product description

Discover new dimensions of pleasure with the Silexd – 7” Pink Glow-in-the-Dark Model. This innovative dildo is designed to offer an unparalleled experience thanks to its combination of advanced materials and unique features.

Made with 100% super-soft premium silicone and Silexpan, the Model 7" guarantees a realistic feel and optimal comfort. Heat-reactive silicone technology hardens as it cools and softens as it warms, allowing you to customize your sensations to perfection.

Not only does it offer a realistic texture and feel, but it also features a glow-in-the-dark design. This unique feature adds an exciting visual touch to your intimate moments, making it perfect for playing in the dark. Simply shine it on and let it glow back at you.

The 7" Silexd model features a smooth exterior and a firm core, plus textured veins for enhanced stimulation. Its ergonomic design ensures ease of use and maximum pleasure, while the powerful suction base provides stability for a hands-free experience.

With a maximum length of 17.6 cm, an insertable length of 13.6 cm, and an insertable diameter of 3.5 cm, this dildo is the perfect size for satisfying penetration. The suction cup base measures 6.7 cm, offering a secure and versatile attachment to a variety of surfaces.

Safety and hygiene are paramount with the Silexd Model 7". It's phthalate-free, body-safe, hypoallergenic, non-porous, and odorless. Plus, it's 100% recyclable, made from 72% natural materials, and waterproof, allowing for use in the shower or bath.

Enjoy the night and elevate your pleasure with the Silexd – Model 7” Pink Glow in the Dark. Illuminate your intimate moments with this extraordinary dildo, designed to stimulate and satisfy like never before.
