Product description

Discover the ultimate in realistic pleasure with the 11-inch SILEXD Realistic Silicone Penis, a masterpiece of erotic design that combines technology, safety, and a surprisingly authentic appearance. Ideal for both solo and couples play, this high-end dildo has been created to satisfy the deepest desires with impressive anatomical fidelity and dimensions that awaken fantasies.

Waterproof – IPX7 Rating

Thanks to its IPX7 waterproof rating, this realistic penis is fully submersible, making it the perfect companion for use in the shower, bath, or any wet environment. Its waterproof construction guarantees safety and durability even in the most intense moments.

Realism That Will Make You Fall in Love

Made with premium silicone, the external texture offers a hyper-realistic feel, soft and flexible, yet with the right firmness for intense and pleasurable penetration. Every vein, curve, and anatomical detail has been carefully molded to replicate the sensation of a real penis with surprising fidelity.

Impressive Dimensions

At 11 inches (28 cm) in total length and with a generous diameter, this dildo is designed for those looking for an extra-large experience without compromising comfort or ergonomics. The suction cup base allows for versatile use: attach it to smooth surfaces for hands-free play or attach it to a compatible harness for unforgettable couples experiences.

SILEXD Silicone - Safety and Confidence

The SILEXD brand is synonymous with innovation in realistic toys. Its dual-density medical silicone is hypoallergenic, phthalate-free, and completely body-safe. Additionally, the solid inner core provides optimal control, while the outer surface adapts perfectly to body temperature.

Easy to Clean

Thanks to its non-porous composition and IPX7 rating, this toy is very easy to clean. Simply use warm water and mild soap, or an antibacterial toy cleaner.
