Product description

Discover ultimate realism with the 15.4cm Silexd Premium Real Skin model

Made from 100% super-soft liquid silicone and enhanced with cutting-edge Silexpan material, this dildo offers an incredibly realistic feel that mimics the natural touch of the human body.

Dual-density design for an authentic experience

Its dual-density technology combines a velvety soft exterior with a firm core, providing the perfect balance between flexibility and structure. Textured veins along the shaft offer intense stimulation, while its natural flesh tone provides an ultra-realistic look.

Ergonomic, safe and hygienic

Designed for maximum comfort, its ergonomic shape makes it easy to handle and manipulate. Made with hypoallergenic, non-porous and odorless materials, this dildo guarantees a safe and hygienic experience. In addition, it is 100% phthalate-free, prioritizing your well-being with every use.

Thermo-reactive silicone: Customize the texture

Thanks to its innovative thermo-reactive technology, you can adjust the firmness of the material. Cool it down for a firmer feel or warm it up for a softer texture, adjusting to your preferences and body temperature.

Waterproof and compatible for versatile play

Completely waterproof, ideal for use in the shower or bath. In addition, it is compatible with silicone torsos, providing more possibilities for exploration and pleasure.
