Product description

Enter a new era of sensual satisfaction with the Model 8 Realistic Dildo (8 inches), a groundbreaking creation designed to satisfy your every desire. Made using cutting-edge liquid silicone technology, this revolutionary product brings unparalleled durability, flexibility and realism to your intimate experiences.

What really sets this model apart? It's heat-responsive!

Want a softer feel? Heat it in the microwave for 30 seconds (make sure it's on a microwave-safe plate).
Prefer a firmer experience? Chill it in the refrigerator for a harder texture.

This unique feature allows you to customize your pleasure like never before.

Perfectly designed to complement the SILEXD Apollo L and S male torso, this dildo enhances realism and compatibility, making it the ultimate addition to your collection.
