Product description

Take your intimate moments to the next level with the Model 9 Realistic Dildo (9 inches)

Elevate your pleasure with the Model 9 Realistic Dildo (9 inches), a premium innovation made with advanced liquid silicone technology. Designed to offer unparalleled durability, flexibility and realism, this product sets a new standard in satisfaction and pleasure.

What makes it truly unique? It's heat-reactive:

Softer sensations: Heat the dildo in the microwave for 30 seconds (place it on a microwave-safe plate).
Firmer texture: Chill it in the refrigerator for a firmer sensation.

Customize your experience and get exactly what you want!

Designed to be perfectly compatible with the SILEXD Apollo L and S Male Torso, this dildo guarantees maximum compatibility and an ultra-realistic experience.

Key features:

- Realistic dimensions: Maximum length: 22.8 cm | Insertable: 21.6cm x 5.4cm
- Strong Suction Base: 70mm diameter for hands-free versatility
- Realistic Flesh Tone: Both in look and feel
- Waterproof: Great for use in the shower or bath
- Lightweight and Sturdy: Weighs just 404.4 grams

Why Liquid Silicone?

This material offers the perfect combination of softness, flexibility and safety, while being easy to clean and maintain.

Thermo-Reactive Technology = Customized Sensations

Enjoy a completely personalized experience with the perfect balance between form, function and adaptability.

Unleash your fantasies with the Model 9 Realistic Dildo (22.8 cm), the ideal addition to your pleasure collection.
