Product description

Introducing our new chocolate flavor 8-pack, featuring a sleek, ready-to-use design and up to 33% more condoms than the market leader. Appeal to those looking for a fun, high-quality intimate product with Skins chocolate flavor condoms. These individually wrapped condoms combine pleasurable taste with superior protection, making them the ideal choice for adult product stores, pharmacies, and wellness retailers. These Skins condoms are a great way to combine two loves: sex and chocolate. They're lubricated and have a delicious chocolate aroma that's truly tempting, and they taste like chocolate too. Like all Skins condoms, they're made from high-quality, dermatologically tested latex, giving you the protection you need.

FEATURES:

- Subtle Chocolate Flavor: Lightly scented to mask the latex smell, offering a more enticing sensory experience.
- Extra Lubricated: Improves comfort and security during use by reducing friction.
- Natural Skin-Like Feel: Designed for intimacy with a smooth, natural feel.
- High-Grade Natural Latex: Sheer, strong, and long-lasting for peace of mind and confidence.
- Individually Wrapped Singles: Supplied in single-unit packaging for hygienic and Convenient retailing without having to separate them from the strips.
