Product description

This seductive candy bra and thong set is the perfect accessory to add a touch of fun and naughtiness to your most special moments.

Made from the same type of fruit-flavored candy beads that we used to enjoy in our childhood, this design combines nostalgia and sensuality in one piece. Now that we've grown up, this garment becomes an ideal accessory for adults looking for something sweet and daring.

The bra and thong are made from colorful, edible candy beads, creating a unique and fun-filled multi-sensory experience.

Plus, its adjustable design ensures a comfortable and versatile fit, as its one size fits most people.

Another great advantage is that this set is suitable for vegetarians and vegans, so you can enjoy its flavor and style without worrying about ingredients of animal origin.

Whether as an original gift or to surprise your partner on a special occasion, this candy bra and thong are a delicious way to add sweetness and passion to your encounters. Add a playful twist to your evening with this daring and flirty ensemble!
