Product description

S8 Deep Throat Spray is an innovative water-based spray with a refreshing mint flavor. This specially formulated spray is designed to enhance your oral experiences by desensitizing your throat for a deeper and more satisfying blowjob. The key ingredient is Laureth-9, which works to gently numb the throat, allowing for greater comfort during oral stimulation. With this spray, you can explore new depths of pleasure and take your intimate moments to exciting new heights.

Using the S8 Deep Throat Spray is simple. Just apply 1-3 sprays directly down the throat, and allow the spray to take effect. Avoid contact with the eyes. Do not spray near open wounds. Indulge in the tantalizing mint flavor of S8 Deep Throat Spray and experience a more satisfying and pleasurable oral encounter.
